

HAINES CITY

POSITION ANNOUNCEMENT

POSITION TITLE: Wastewater Operator Trainee

DATE OPENED: 05/10/2016

DEPARTMENT: Utilities

HIRING RANGE: \$11.00 to \$16.50 (Hourly DOQ)

POSITION FUNCTION: Under the direction of the Wastewater Superintendent, performs duties necessary to support the Wastewater Division to ensure the proper operation the wastewater treatment systems and equipment. Position is classified as an Operator in Training and is responsible to accomplish licensure requirements commensurate with position within 12 – 18 months of hire.

ESSENTIAL DUTIES:

1. Performs duties necessary to support the Wastewater Division to ensure the proper operation of the wastewater treatment systems and equipment. Duties include, but are not limited to, assisting with the conducting of lab tests, sample analysis, running tests on various equipment, cleaning bottles for the auto sampler, and determining test results.
2. Assists with monitoring and adjusting of system flows, treatment process conditions, and storage levels by monitoring the status of production, storage and delivery systems. Duties include maintaining system reports and records by preparing and logging daily reports into the computer system.
3. Assists with maintaining and cleaning plant and plant equipment, and cleaning lab counters and floors. Duties include, but are not limited to, grounds maintenance, and basic pump and motor maintenance. May assist and/or be cross trained in pump and motor repair, maintenance and installation.
4. Attends training classes, takes tests and participates in on-the-job-training activities that are required by the State of Florida, as a prerequisite for obtaining a Class C Wastewater Plant Operator License. Position is classified as an Operator in Training and is responsible to accomplish licensure requirements commensurate with position within 12 – 18 months of hire.
5. Performs additional duties as assigned.

KNOWLEDGE/SKILLS/ABILITIES:

Required knowledge and experience is normally obtained through the completion of a curriculum resulting in either a High School Diploma or GED is required. Must be able to obtain a class C Wastewater License within 12 – 18 months of hire date. Florida Class C Wastewater License is preferred. Must exhibit attention to detail, accuracy, and safety. Must be able to communicate and present oneself in a professional manner. Ability to perform or learn basic mathematical equations in the performance of analysis and calculation of dosage. Ability to read, interpret and follow technical information, directives, manuals, memos, reports and other work related materials. Ability to write analysis sheets, reports, inventories, logbooks, purchase orders and work requests. Ability to establish and maintain effective working and professional relationships with City employees and officials, and the general public. Ability to take and follow oral instructions. Ability to work under high demands, short time constraints, and pressure of a fast paced work environment. Ability to work shift work and respond to emergency call-out. Must possess a Valid Florida Class E driver license. Must pass applicable pre-employment testing and background and credit checks.

All applicants must complete an employment application and submit it to the City of Haines City Human Resources Department in order to be considered for employment. Applications and job announcements are available at www.hainescity.com. Position is considered “Open Until Filled”, unless otherwise specified.
