These plans for the proposed construction cited in the forgoing application are hereby approved under authority of Chapters 381 and 514, Florida Statutes, and 2014 Florida Building Codes, with the following provision(s):

Construction on this project shall be commenced within 180 days from the date of approval of this application. This approval is for the functional aspects of this project and is based on the information and data supplied by the applicant or his agent. There may be other local permits, requirements, or regulations that must be met prior to the construction of this facility.

Only those application, plans, and specifications that have been stamped with the Plans Examiner's approval stamp are included in this approval. Any changes to these applications, plans, or specifications may render this approval null and void.
